OBJECTIVE

A passionate graduate with hands-on exposure to Data Analyst, Oracle SQL ,PL/SQL, Python possessing strong analytical thinking and problem-solving skills. Looking to begin a professional career through Deloitte's NLA program while contributing to innovative and scalable technology solutions.

SKILLS

Programming Languages	Python, SQL,PL/SQL
Frameworks	Flask
Database	Oracle
Frontend Technologies	HTML, CSS.
Version Control System	Git, GitHub
Tools	VS Code, SQL plus, Power BI.
Soft Skills	Analytical reasoning, data-driven decision making, stakeholder interaction, ability to work independently and in teams

EDUCATION

Shri Ramdev Baba College of Engineering and Management	2024 - 2026
Master of Computer Applications	**(Pursuing)**
GH Raisoni College Nagpur	2019 – 2022
Bachelor of Computer Application	**Percentage: 84%**
Prerna Junior College	2019
Secondary (Class XII)	**Percentage: 62%**
Prerna Convent School	2017
SSC (Class X)	**Percentage: 84%**

PROJECTS

Academic ERP Management System

Technologies: Python, Oracle Database

- Developed a **full-stack Academic ERP system** to manage student records, courses, and attendance.
- Implemented complete CRUD operations, analytical dashboards, and automated reports for efficient student data monitoring.
- Integrated secure authentication and thin-mode **Oracle database connections** to ensure reliable deployment and seamless database communication.

Re-Evaluator Analytics Dashboard (Power BI)

- Consolidated **60+ datasets** into a unified data model using Power Query.
- Cleaned and transformed data for accurate analysis.
- Created **DAX measures** to analyze re-evaluation trends and evaluator workload.
- Built an **interactive Power BI dashboard** with KPIs and drill-downs.
- Applied data modeling techniques to improve performance and insights.

CERTIFICATIONS & ACHIEVEMENT

- **Fundamentals of Java Full Stack Program (Golden Level)** – NASSCOM (IT-ITeS SSC)
  Issued: Nov 2025 | *Certification ID:* FSP/2025/11/10247562
- **Problem Solving (Basic)** – Leetcode,HackerRank.
- **Python Programming Certification** – Coursera
- **Power BI Certification** – Coursera
- **Agile Methodology (Virtual Experience Program)** – Forage (Cognizant)
